Directory will be published along with ICI's Handbook on
'Guidelines for Waterproofing of Concrete Structure'

About ICI

Indian Concrete Institute (ICI) is one of the leading professional bodies in India, catering to the professional needs of individuals and organisations involved in concrete. ICI is dedicated to the cause of disseminating knowledge on concrete, to promote concrete technology and construction and to address the research needs of Concrete. Today, ICI is a strong professional body with a commanding force of more than 13,000 enrolled members, from 42 regional centres in all major cities, spread across the entire length and breadth of the country.
